

DEPARTMENT SPOTLIGHT:

January 20-24

FINANCE

During a month when people are typically more budget conscious, as they recover from the holiday season, what better time to talk about money?! This week of January 20-24 we recognize our small, but mighty finance team at RLMCMH! Both Terrie-lynn Pinette (*Accounts Receivable*) and Helen Pysznyj (*Accounts Payable / Payroll*) work remotely with our Chief Financial Officer, Alex McAuley (DRHC) to provide timely, meticulous, and detail oriented financial services.

Combined, these two lovely ladies have over 45 years of experience at our organization, across several departments. They have settled in their current financial roles to ensure that 1) We all get paid, 2) Our vendors get paid, and 3) There's actually money to pay everyone with. Helen hasn't bounced a cheque yet!

So if you run into this dynamic duo over the next few days, be sure to high five them for their talents, their patience, and their attention to detail! Thanks Ladies! We couldn't do it without you!
