- Registered as a Social Service Worker, Social Worker, Nurse, Nurse Practitioner, Occupational Therapist, or Psychotherapist in the province of Ontario, in good standing;
- Clinical knowledge and experience in the application of crisis intervention techniques (e.g. assessment, de-escalation, safety planning, resource building, etc.);
- Demonstrated understanding of factors impacting culturally safe care;
- Experience with Indigenous peoples;
- Demonstrated knowledge and understanding of how different developmental stages affect intervention;
- Certification in the following courses is preferred: First Aid and CPR, ASIST, CPI;
- Demonstrated knowledge of relevant legislation (e.g. the Mental Health Act; Child and Family Services Act);
- Strong interpersonal and oral/written communication skills;
- Sound judgment, good observation, and client assessment skills;
- Must possess the ability to work collaboratively and in partnership with other community organizations (e.g. police, hospital);
- Demonstrated computer and technological proficiency, including the use of Microsoft Office;
- Must have access to a reliable personal vehicle and a current valid class 'G' driver's license, and insurance to cover transportation of clients;
- The ability to communicate in local Indigenous languages is a preference.

Position Responsibilities:

- Promptly respond to requests for service (e.g. from the hospital or the police);
- Respond with local police services to mental health and addictions calls outside of the hospital;

- Complete mental health, addictions, and risk assessments with individuals in crisis;
- Complete suicide risk assessments;
- Develop safety plans, as indicated;
- Provide clinical intervention with a sound knowledge of crisis intervention, recovery based practices, severe and persistent mental health and substance use issues, developmental stages, the impact of culture, and an awareness of community resources;
- Ensure accurate and timely reports, data entry and documentation in relevant systems;
- Upon request, represent the program at community events;
- Participate in initial and on-going training;
- Promote good public relations and healthy community partnerships and alliances.
